COLLECT

Keep us, O God, from pettiness. Let us be large in thought, in word, in deed. Let us be done with fault finding, and leave off self seeking. May we put away all pretense and meet each other face to face without self pity and without prejudice. May we never be hasty in judgement and always generous. Let us take time for all things. Make us grow calm, serene, and gentle. Teach us to put into action our better impulses, straight forward and unafraid. Grant that we may realize, it is the little things that create differences, that in the big things of life, we are as one, and may we strive to touch and to know, the great common woman's heart of us all, and O, Lord God, let us not forget to be KIND.

MARY STUART

He said they that were serious in ridiculous matters, would be ridiculous in serious affairs.
